Metodiskā materiāla skaidrojums:

Cienījamie pedagogi!

Metodiskais materiāls “Pirmie soļi saksofona spēlē” ir izstrādāts, balstoties nepieciešamībā parādīt bērniem vizuāli viegli uztveramu aplikatūru.

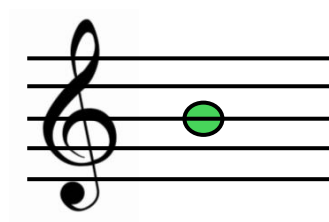

Šis materiāls paredzēts, lai palīdzētu jaunajiem saksofonistiem uzsākt saksofona spēli un ieraudzīt aplikatūru skaidrā un saprotamā veidā.

Katras nots aplikatūrā ir ietērpta krāsu veidolā un sasaistīta ar nots atrašanās vietu līnijkopā. Pievienotie vingrinājumi un skaņdarbi ļaus pielietot jauniegūtās zināšanas un nostiprināt tās.

Materiāls palīdzēs nokļūt līdz audzēkņa pirmajai gammai – Sol mažoram.

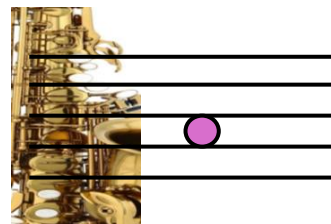

Veiksmi mācībās!
